

media information 2020

The voice of the composites industry since 1957

- The world's largest composites publisher; publishing 50% of the world's most ground breaking composites content
- Print, newsletters, lead generation, banners, webinars, whitepapers, microsites, email blasts, content marketing
- Tailored solutions drawing from the *Materials Today* community of over 35,055 members^a

For more than 50 years *Reinforced Plastics* magazine has been providing designers, manufacturers and end-users of composite products impartial and informed information on the global composites industry. Each issue of the magazine brings you the latest business, technology and applications news, plus feature articles covering topical and technical issues in more detail.

Whether your goal is to:

- Create maximum market impact
- Increase brand exposure
- Generate leads
- Influence stakeholders
- Educate or collect information/user feedback
- Disseminate findings
- Recruit R&D staff

Reinforced Plastics will help to realize these goals by reaching out to key audiences across all Elsevier products in a targeted and cost effective way. **Contact our advertising team** to discuss your needs, no matter how big or small.

Solutions include:

- Print
- Newsletters
- Banners
- Webinars
- Recruitment

Reinforced Plastics magazine, available in print and online, is published 6 times a year.

Over 23,000 readers in years 1-3 have opted in to receive the magazine, and over 16,000 readers have signed up to receive our weekly e-newsletter^a.

Online, *Reinforced Plastics* can now be found within materialstoday.com, which receives 150,000 page views each month^b.

Our database of readers, subscribers and website users contains over 160,000 members who have opted in to receive communications from *Reinforced Plastics* and our partners^c.
